Sorry, not my case either. I am not in the office today so I can't look it up in the computer to see whose it is.

Sonja, you may want to call the DA's office to see who is assigned to it. John Bryson retired and is no longer in our office.

Best,

I think you meant to send this to another Tina in our office, perhaps Tina Cafaro? I will forward to her....

I am still available, but I need to know the lab numbers so I can review the case. Thanks.

Hi Tina-

I just wanted to let you know that I received the summons for the [REDACTED] case scheduled for trial on 1/10/13 and that I do not have any other cases listed for that day (as of now), so I should be available. However, I do not see the drug lab #(s) listed on the summons, and I could not find the defendant's name listed in our database, so if you would kindly provide them to me, I would greatly appreciate it. Also, I noticed that (former?) ADA John Bryson's initials on the bottom of the summons, but the last time I tried to email him, the message was unable to be delivered. Do you happen to know who is handling the case? Thanks.

-Sonja
